

GRAPHICS DESIGN PORTFOLIO

Graphics design wont fix the world's problems
but it will make it look amazing.

About me

Hello ,

My name is surafeal melese, i am skilled, detail-oriented graphic designer
With experience working with clients in a variety of mediums,
Including print design and multimedia.

I am Creative, responsible, and attentive graphic designer. Give me an idea,
Or a goal you want to meet with a product, and you can be sure I come up
With some interesting sketches and designs. Give me a deadline, and you
Can be sure I will meet it.

I work on logos, vectors, icons, animations and many more. I have ample
Experience working remote and stationary project.

Software Skills

Logos & Marking

Vectors,logos and icons describing a specific idea or phrases putting Concepts into images.

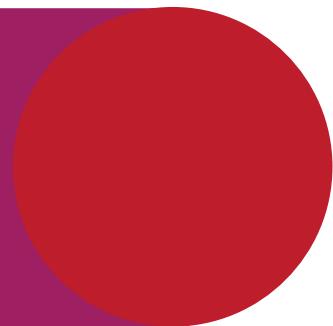

Visual Identity

Turn photography into Illustrations pictures turning portrets into art.

Branding & Brand guideline

Create an image of a company's identity and value in a way that describes An organization and what it stands for.

Logos & Marking

Short Description

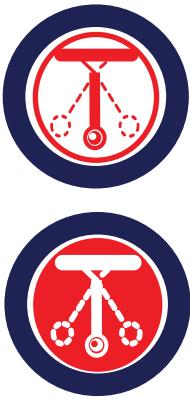

The following are icons,vectors,logos
Done in my previous endeavors, putting
Meaningful words and ideas to work
And turning it into a graphics concepts
That describes the customers core value
And institution.

Vector protests

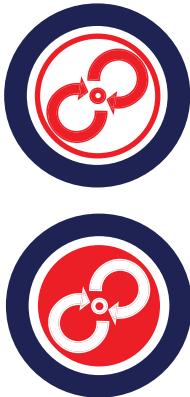

Dynamic

This icon shows the inter lapsing dynamic Moment to represent the movement from A To B

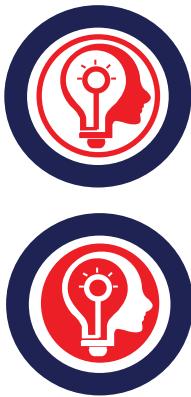

This represents the word by in bodying it with A pendulum known for its dynamic moment From side to side.

This icon represents the word for showing dynamicity by movement of the arrow

Innovation

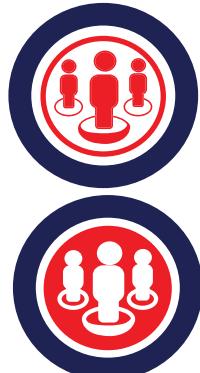

This represent innovation by combining the hade for human brain and the light bulb For new ideas

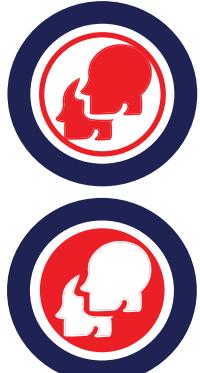

This places innovation by describing it As alight bulb for ideas and the key Showing it as a solution

Leadership

Icon for leadership illustrating three Vectors
One bigger than the two to show one paving
The rode to those he's leading.

This portrays leadership as two people
Walking one further ahead ton other show-
ing leading and following.

Quality

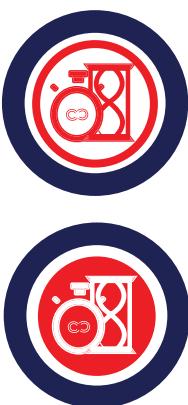

This icon stand for quality by presenting it
With a star for optimal quality performance

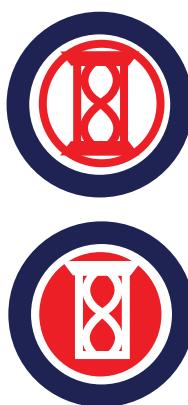

This shows quality for its award of trophy
Given for its top place in quality control

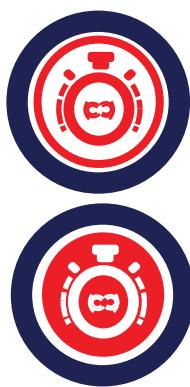

Timeliness

This puts timeless under the light of being both Vintage and modern showing its applicable for Any time now or before making it timeless

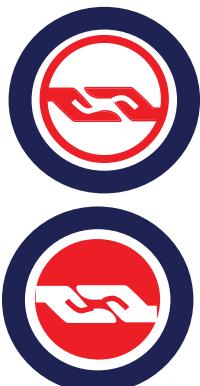

This icon uses a lantern with an infinity sign On it and empty to show it has no time and Infinity for everlasting

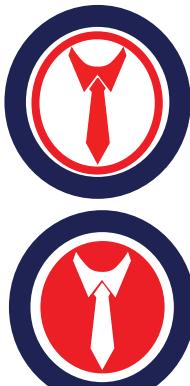

This is a modern watch to show time with an Infinity sign instead of a clock showing continuity

Partnership

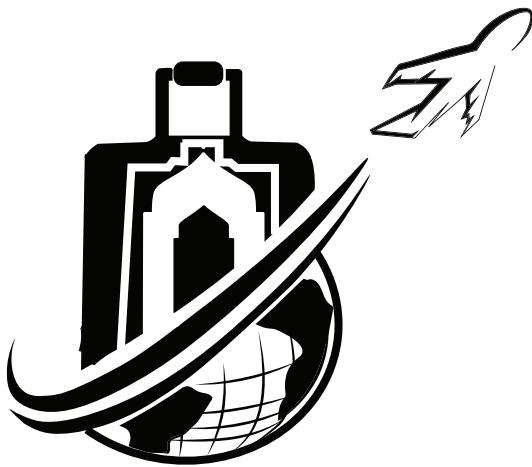

This illustrates partnership by showing a hand Shake from top view presenting collaboration.

Professionalism

Portrays professionalism with a suit tie being it A best sign for high skill and professional.
